An Institution of Child Education Society (Regd.) Delhi

PROSPECTUS

(2020-2021)

“हंसो नयतु नः प्रज्ञाम्”

“Give us the wisdom & the ability to comprehend”

BAL BHARATI PUBLIC SCHOOL, LUDHIANA
{An Institution of Child Education Society(Regd.)} New Delhi

Bal Bharati Public Schools are comprehensive, co – educational English medium schools. Hindi enjoys its place of pride as the National Language in its curriculum.

Child Education Society; the apex body of Bal Bharati Public Schools and other institutions of higher education, was set up in the year 1944 during the Pre- independence when the elders thought that the Indian Culture, Heritage, Tradition and Ethos must be preserved and conserved and in order to achieve those objectives, it became obligatory for the Society to educate the young people. Thus, the society was registered under the Societies Act, 1860.

Today, the affairs of the Society are managed by the board of management consisting of eminent educationists and social workers. In the recent years, the pace of expansion and development of new schools has greatly quickened, going up from just one school and one institution (NTTI) of 1984 to as many as 1 Play School, 1 Training Institution, 12 Core Schools, 1 Management Agreement School and 12 Project Schools in collaboration with the Indian Railways and National Thermal Power Corporation (NTPC). Presently, Mr. L. R Channa is the President of the Society.

Each school is managed by a separate Managing Committee in accordance to the rules as prescribed by concerned State but is ultimately responsible to the apex body.

The Schools built by the society are set in congenial surroundings. They are housed in modern attractive buildings equipped with all requisite facilities, well stocked libraries, laboratories, computers, audio – visual equipment, facilities for creative arts, indoor and outdoor games and swimming pools(whenever possible).

Bal Bharati's educational philosophy is inspired by the maxim “ आनोभ्रदः कृतवो यन्तु विश्वतः”, ‘Let noble thoughts come to us from all sides.’ It provides comprehensive education keeping in view the country's rich heritage and cultural background and opens opportunities for the development of different facets of the child's personality.

Besides academic excellence and intellectual development, the School endeavours to help each child discover and develop one's innate talents and abilities. It seeks to instil in the children proper habits, positive attitude and values such as truthfulness, unselfishness, self respect, self control, sense of duty, good manners, fair play, team spirit, dignity of labour, punctuality, compassion, freedom of mind and a rational and scientific approach.

Conscious effort is made to foster pride and love for the country and its great heritage and tradition of tolerance epitomized in the noble phrase “वसुधैव कुटुम्बकम्” ‘The whole world is one family.’

OUR VISION

At BBPS, we value the potential and contribution of every individual, whilst inspiring pupils to develop lively and enquiring minds.

We provide entertaining and stimulating learning opportunities in a happy, healthy, caring and vibrant environment.

We build relationships and develop self esteem within our school and wider community and encourage respect and a sense of belonging.

We create awareness that develops lifelong skills to face challenges with confidence.

OUR MISSION

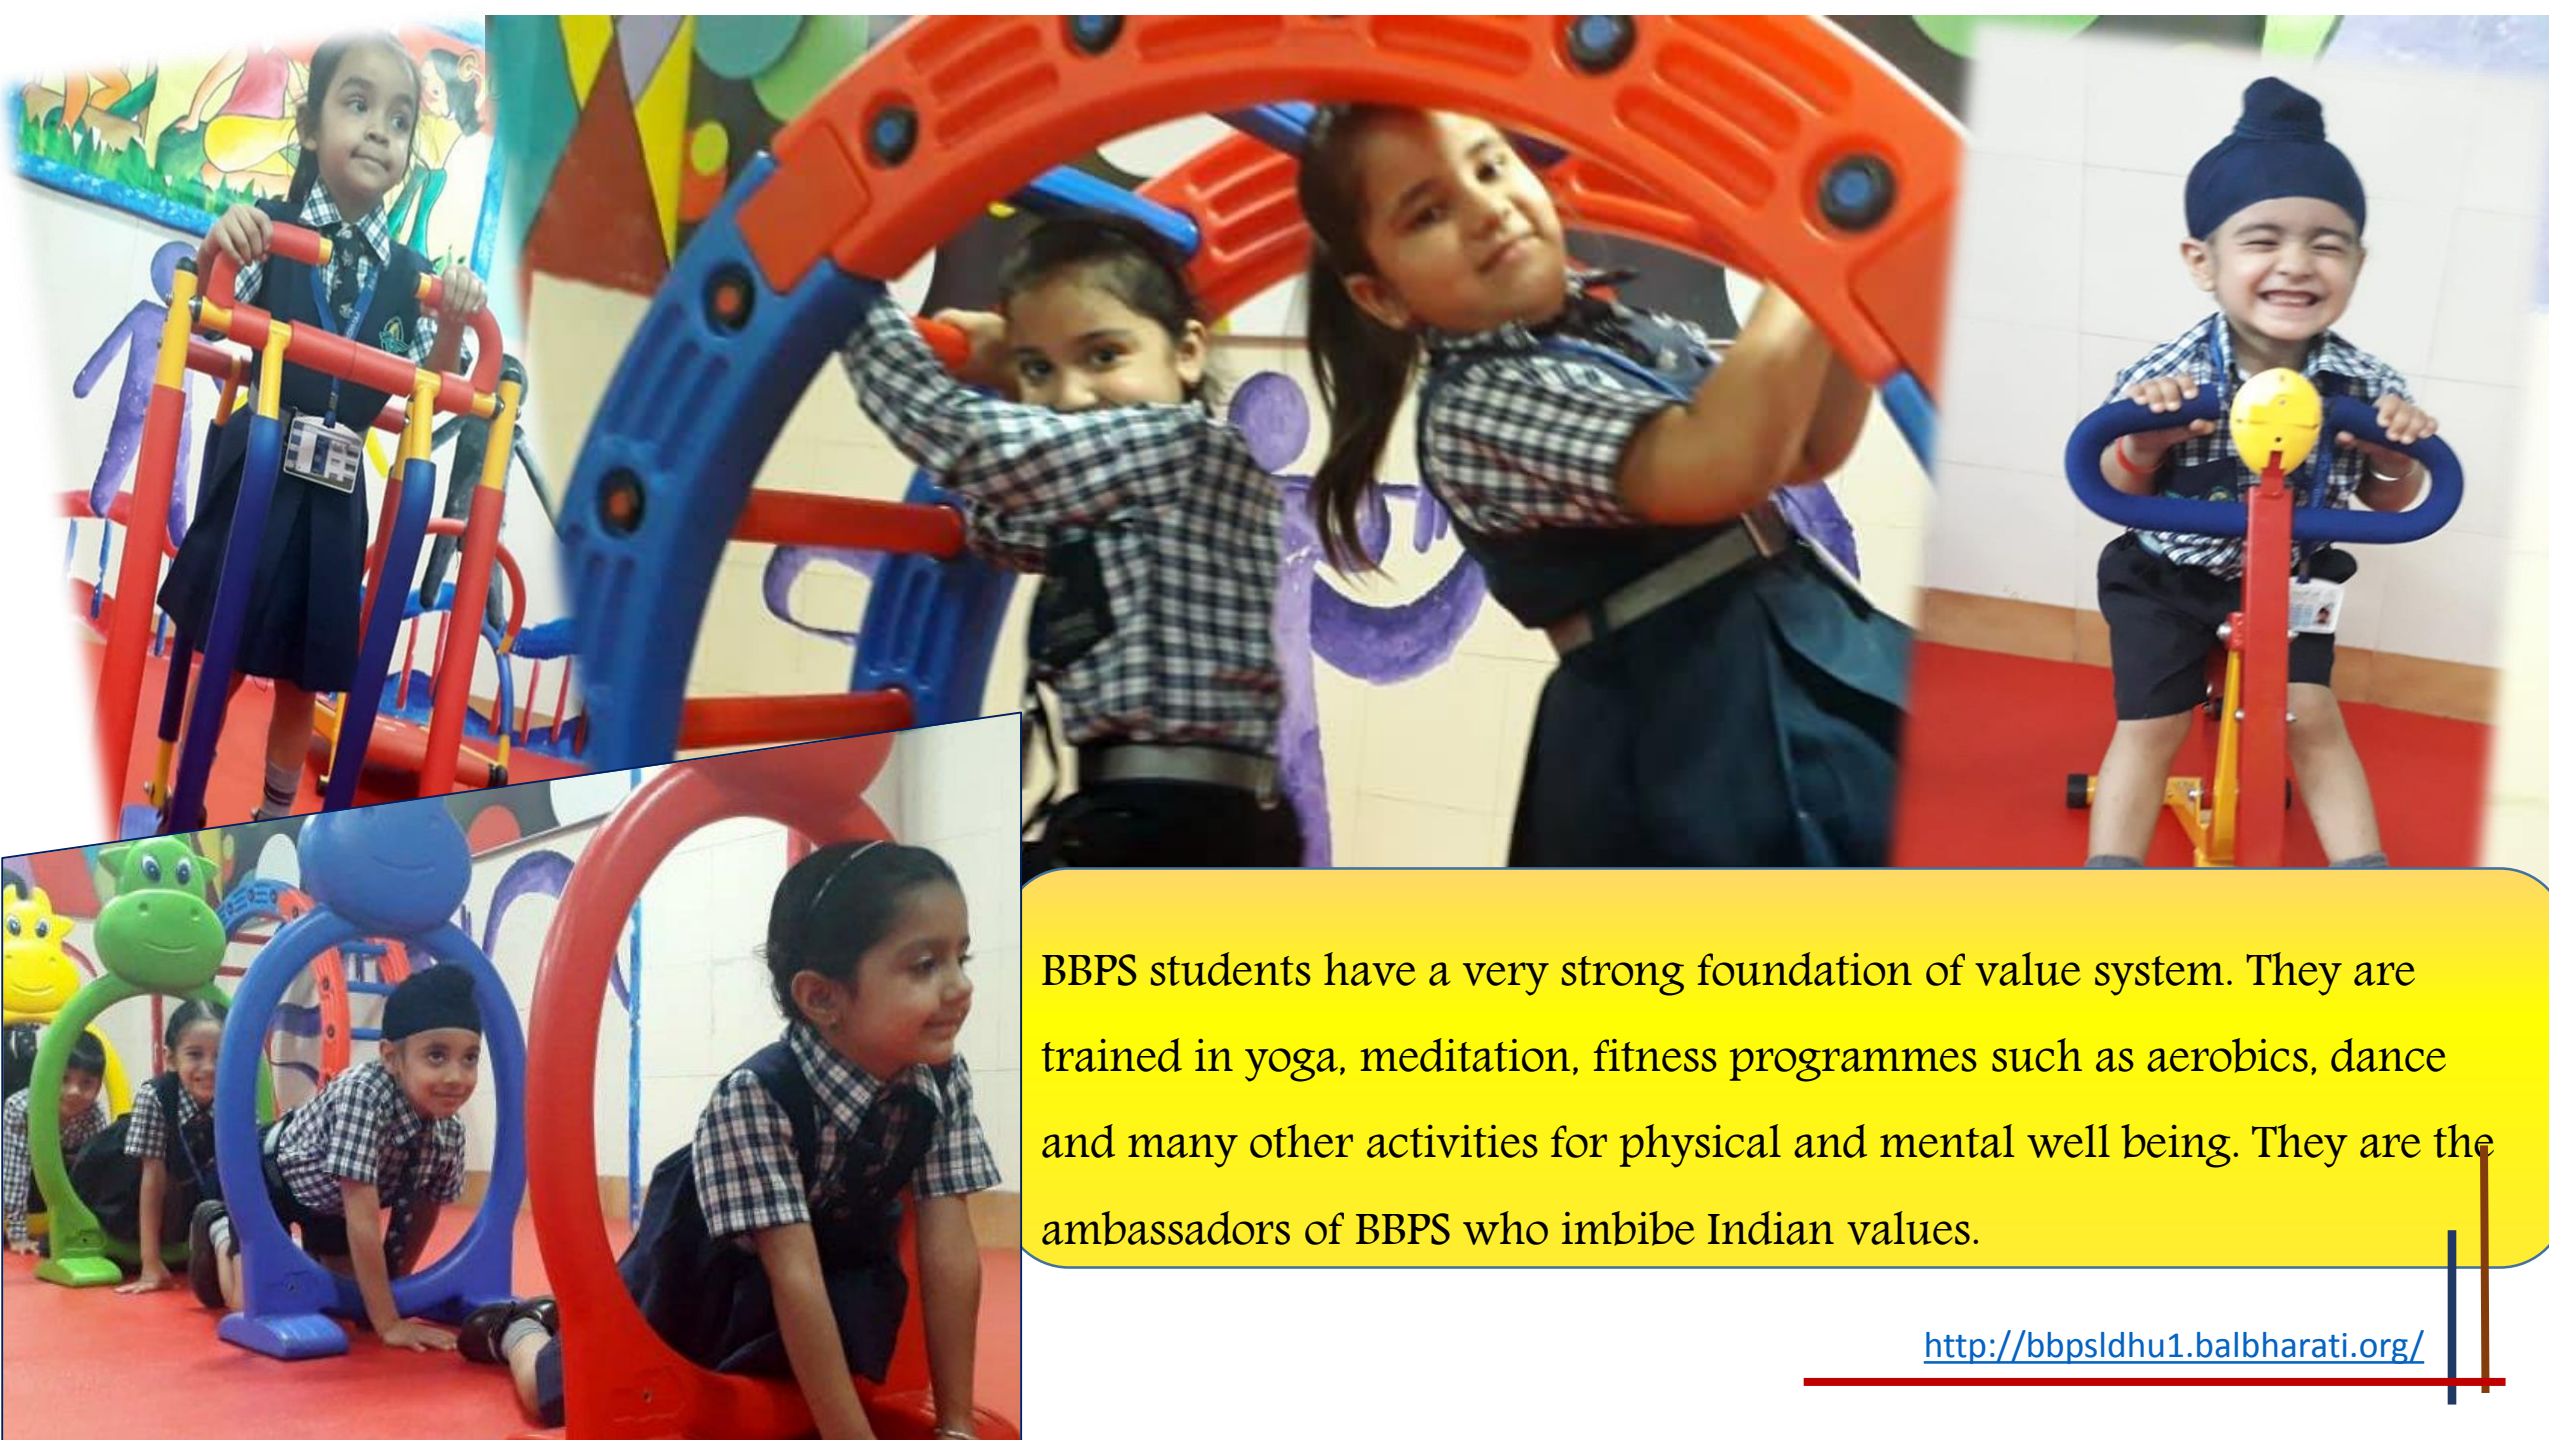

We endeavor to foster and nurture the leaders of tomorrow by creating an environment for students where physical, intellectual, moral, spiritual growth and overall development is given utmost importance.

BBPS treats each child as a unique individual and develops him/her to the maximum potential by providing a variety of learning experiences.

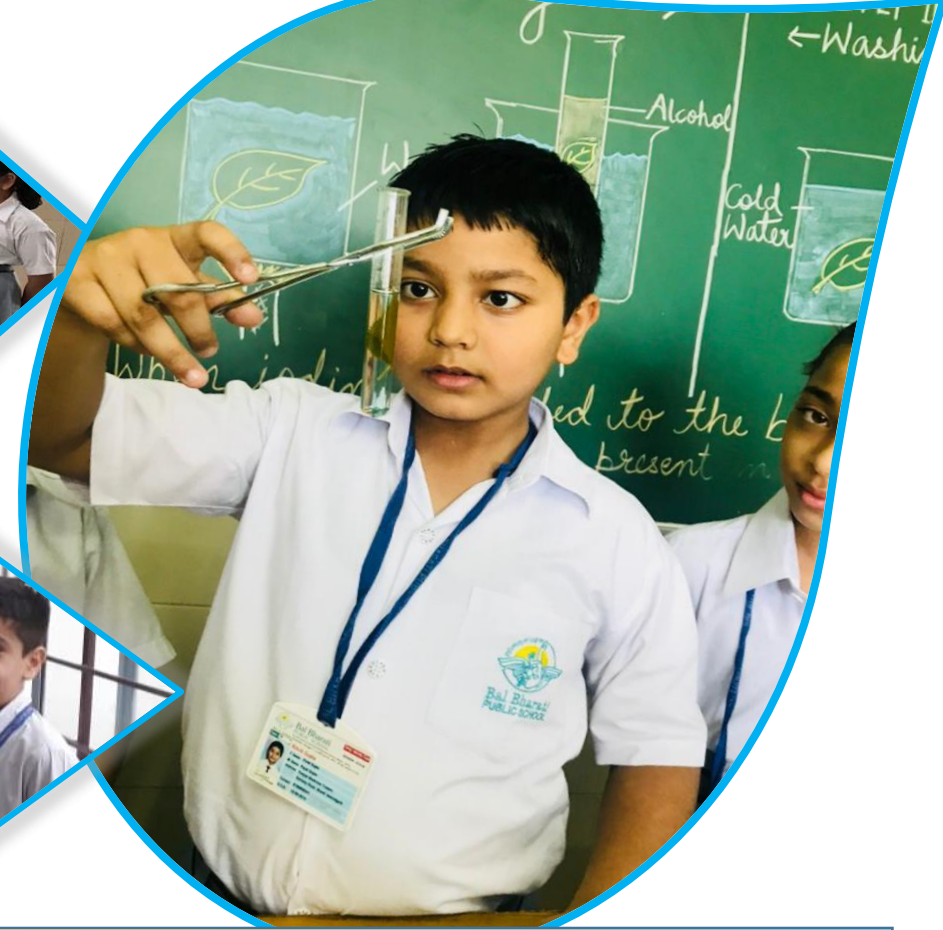

EMPHASIS ON EXPERIENTIAL AND EXPLORATORY METHODS OF LEARNING, BEYOND THE CLASSROOM.

The school inculcates in children the qualities of curiosity, exploration and discovery in a fun-filled, safe and happy learning environment. An individualised approach helps nurture a love of learning; develop social skills, and instil moral values. A well-balanced curriculum and theme-based instruction help the young minds integrate their learning smoothly. The emphasis is on exploring, knowing, understanding and forming their own ideas.

BBPS students have a very strong foundation of value system. They are trained in yoga, meditation, fitness programmes such as aerobics, dance and many other activities for physical and mental well being. They are the ambassadors of BBPS who imbibe Indian values.

The Primary School curriculum offers an exciting and creative learning environment, with an inter-disciplinary appreciation of Languages, Mathematics, Science and Social Studies, as individual and integrated subjects. Equal emphasis is given to individual, small group and whole-group activities, to improve children's ability to work across all levels.

ROBOTICS

Determined to seek out opportunities for students to lead, be opinion makers and change designers at school and in the community.

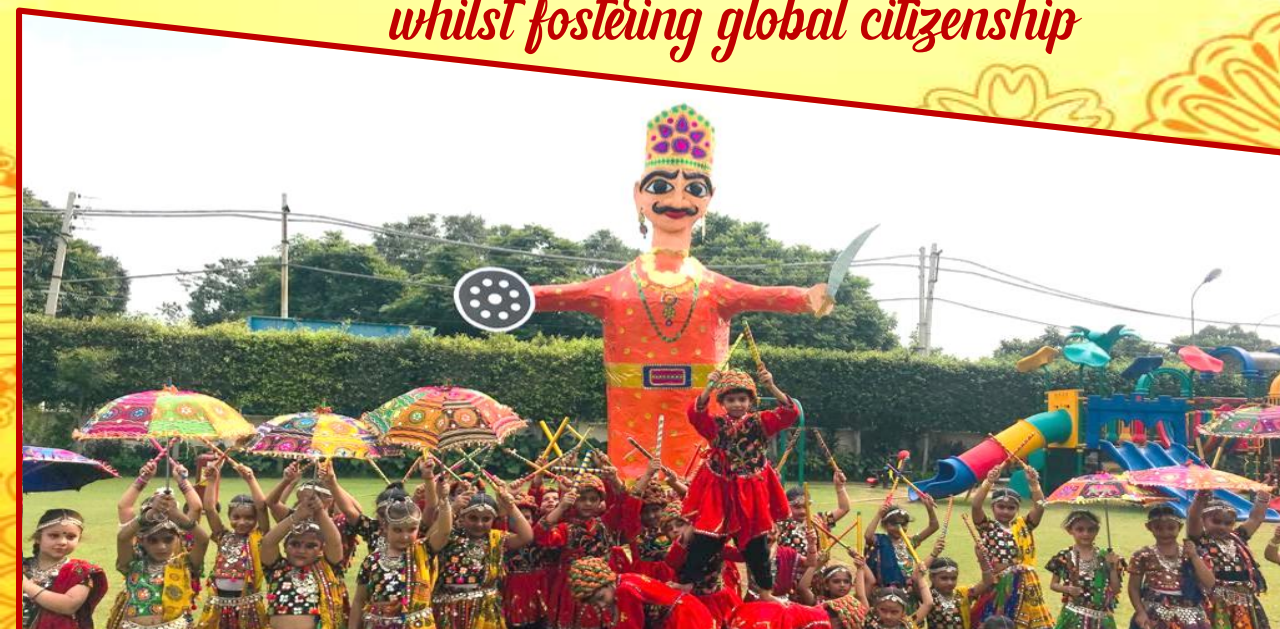

funtoot combines latest technology with pedagogy innovations

*Upholds Indian culture and values
whilst fostering global citizenship*

<http://bbpsidhu1.balbhharati.org/>

Extra curricular life at the school is a vital part of our offerings and encompasses a variety of activities viz computer, art ,music, dance.

The importance of co-curricular activities and sports cannot be overlooked in rounding off 'good education' and ensuring the well being of a child. Hence, these spaces are an important part of the school campus as they provide the necessary ambience needed to inculcate creativity and vigour in young people.

BBPS builds integrated, young students who are capable of fulfilling their dreams and becoming aesthetically rich and capable members of the society. Therefore, we aim to transform lives by creating and sharing knowledge, while instilling values that prepare leaders for tomorrow.

Our students are just not trained, but trained in “How to think, uncover and self-discover”, thereby constructing learning strategies customised to suit their own unique requirement.

*Encouraging
creative
and
enquiring minds*

Classrooms Without Walls for Richer Learning

Our Pre-Primary programme inculcates in children the qualities of curiosity, exploration and discovery in a fun-filled, safe and happy learning environment. An individualised approach helps nurture love for learning, develop social skills and instil moral values. The emphasis is on inculcating the ability to communicate efficiently in English and developing self confidence in the pupils. Teachers ensure this through proficient use of language and by encouraging children to express themselves freely.

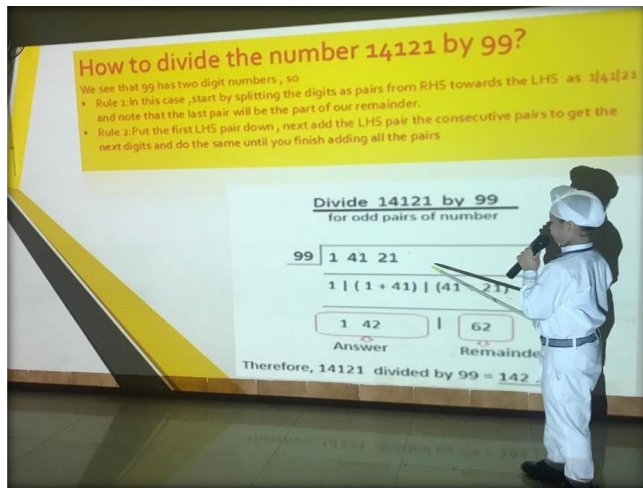

The school maintains a well-equipped infirmary under the care of a qualified doctor and a trained nurse. Regular health records of weight, height and dental check up for each child are maintained.

The school runs a fleet of 12 GPS enabled buses. Camera in the buses ensures the complete security of students. Fire extinguisher and first aid kits are available in all buses. Lady attendants accompany the students on board.

The school curriculum encourages inquiry and exploration, and develops child's competence in various skills - reading, writing, listening, speaking, problem-solving, observation, measurement and use of information and communication technology.

Fire on Stage

The school organized Annual Cultural Day 'Dhorahar-Ek Pehchan' with great zest and elation through a vibrant mix of indigenous and exotic dance forms.

**BBPS students got 1st prize out of 22 teams in
'Inter School Science Bee Quiz Competition'.**

**BBPS students got 1st prize out of 37 teams in
'Inter School Dance Competition'.**

We provide the students an enriching global exposure by participating in various cross-country programmes.

School trips and excursions add magic to school life and these are planned to complement the work done in the school.

BBPS lays great emphasis on sports and games, believing firmly that through this medium a child can imbibe the basic human qualities of fair play, sportsmanship, a spirit of competition and qualities of leadership. There is regular and ample time for sports activities. The school provides all facilities for Cricket, Basketball, Skating, Table Tennis, Carrom, Chess, Karate, Judo, Swimming, Badminton, Physical Education, Yoga etc.

*Victory is in having done your best.
If you have done your best,
you have won.*

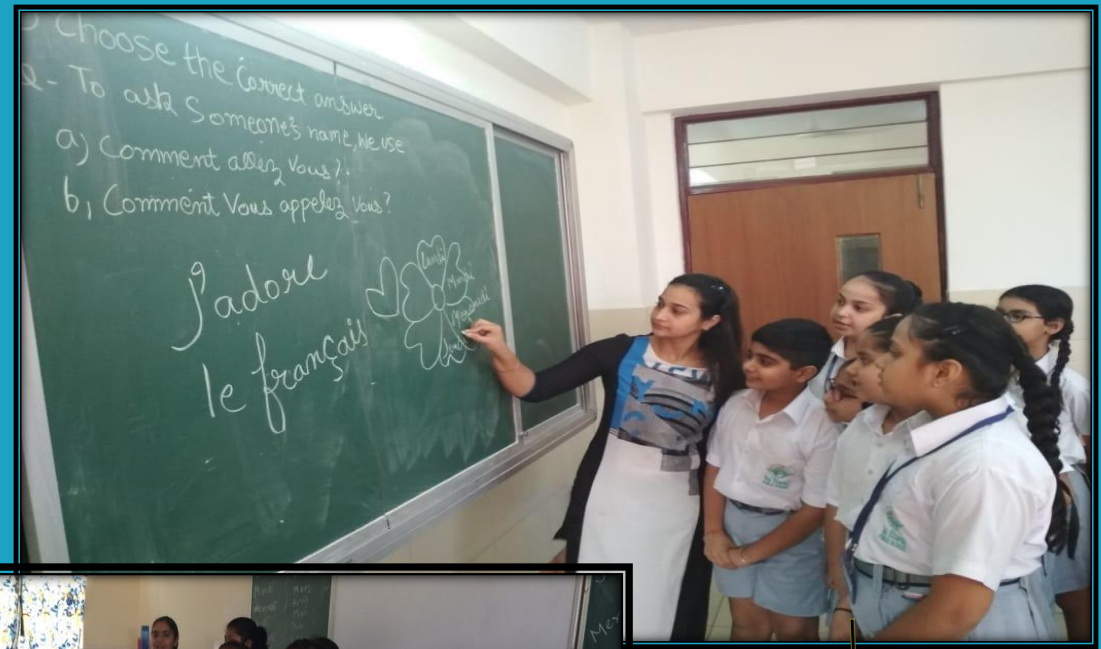

We enable each child
to reach their full potential
by fostering self esteem
and sense of achievement.

A FOREIGN language is a different vision of LIFE.

The concept of learning the foreign language has always been productive as it not just imparts linguistic skills but enables learners to explore and learn about related cultures and lifestyles.
