

# The Pioneer in New Age Learning: Bal Bharati Public School

A vision is accomplished when empowered with commitment and fortitude. It takes more than a school to enrich young minds who become pioneers of change & transformation with strong ethical, social and moral beliefs at heart. Bal Bharati Public School, Ludhiana is a prestigious institution managed by Child Education Society, the apex body which runs 27 educational institutions with an experience of more than 75 years. Since its inception in 2007, the primary aim of the school has been to provide a learning environment which nourishes the mind, body and soul instilling in children the right combination of traditional values and modern progressive ideas. The school is working assiduously as part of its solemn commitment to deliver high-quality education through an enriched, rigorous inter-disciplinary curriculum and innovative teaching methodologies. It is committed towards the vision of preparing the students with cross-cultural competency skills to help them excel in academic, creative, social, cultural, sports and community endeavours. The students are encouraged to develop critical-thinking skills and learn through enquiry and reason, converting every individual into a self-reliant and independent citizen. Leadership opportunities, character education and exposure to the technologies prepare students to compete with their global counterparts.

The ocean of learning prompts to dive deep in an engaging, child-centered eco system. The sprawling layout of the school is exquisitely designed to cater to various learning needs of the students. The choice of ergonomically designed infrastructure in line with contemporary architecture, hassle free furniture and age appropriate class decors provide the students conducive environment for holistic grooming.

In order to nurture competency based learning the academic fundamentals are clubbed with experiential learning reinforced by well-equipped modernized science and computer laboratories, and ATL Tinkering Lab which provide a technical edge to the scientific temperament, innovative mind set and progressive growth pattern of children. Multifaceted activities organized by various clubs like Robotics, Space Club, Heritage Club, Entrepreneurs' Club, Philately Club, Eco-friendly Science Club, Literary and Reading Club, Integrity Club, Sports Health and Wellness Club bring out their individual talent and cultivate voluntaristic spirit.

The school provides state of the art sports infrastructure for games like cricket, badminton, basketball, football, volleyball, table tennis, lawn tennis, kabbadi etc. A gymnasium with both electronic and manual fitness machines, half Olympic size all weather indoor swimming pool motivate students to set high goals. The sports champions have proved their mettle in

various competitions at National and International level.

A team of proficient counsellors and special educator help to resolve emotional, hormonal and behavioural concerns of growing students. Sessions with experts, career counsellors and successful people in the professional world provide them insight of the available avenues. The school has a fully functional CCTV Camera surveillance system, fire extinguishers on each floor, GPS system in school transport and air-conditioned medical room under the care of a well-qualified doctor and trained nurse to boost safety and security of the students.

An ambitious vision for learning is set by the school by facilitating the learners with separate art and craft, dance, music rooms, spacious audito-

rium, school band and well-equipped library with facility of e-library. All the classrooms are equipped with latest interactive panels providing modern technological support to digitally trained teachers who follow the latest trends in education.

Our teaching learning methodology includes contextualized real life examples, interactive discussions, observations, project works, demonstrations, multimedia tools etc. Learning outcomes for students are maximised by adequate planning and programme implementation, following the latest trends in education, appropriate resource provision, comprehensive assessment and regular evaluation of all the school programmes. Concerted effort are made to keep staff members up to date on all pedagogical and technological developments to impart education with out of the box approach.

With a history of accomplishments and laurels, Bal Bharati Public School has defined itself as a sanctuary of global citizens. The school offers countless opportunities for students to take part in all sorts of co-curricular activities and community services to broaden their exposure and insight. Various Eco Friendly programmes like tree plantation, seminars, quiz competitions, painting competitions, rallies, nukkad natika are organized to sensitize young minds about the environment and the factors that help in sustaining ecological balance besides spreading their messages of clean and green environment among masses.

It is rightly said, "A dream becomes a goal when action is taken towards its achievement." The mission of the school is to promote all-round development of students in spiritual, moral, intellectual, physical, social and aesthetic areas. It envisages to produce responsible, courageous, compassionate, life-long learners and leaders who will bring glory to the school, state and the nation.
