# Messages from Board

**Mr. Nikhil Channa**  
**Chairman BBPS, Ldh**

The centre of the Education system in modern times has come to be the Student. The ideas and aspirations of a student sprout from the windows of his mind and soul. We, at Bal Bharati Public School Ludhiana, endeavour to turn these into windows of opportunities for the students to convert them into reality by nurturing them through conscience based holistic education encompassing – academics, co-curricular activities, sports education and life-skills learning. The campus, state-of-the-art sports infrastructure and academic facilities all bear testimony to this effort.

We, at Bal Bharati Public School, have always tried to put in consistent effort to provide stimulating and purposeful surroundings to the young minds grooming them to be leaders in their respective fields of activity. We firmly believe that it is our responsibility to enable every child under our care to develop as individuals who do not become just content experts but expert learners.

**Mr. L.V Sehgal**  
**Secretary Manager**

“हंसो नयतुनः प्रज्ञाम” ‘O swan, lead us to knowledge’ The motto of Bal Bharati Public Schools is ‘Hanso Nayatu Naha Pragyam’. It is depicted in the image of a child astride a soaring swan moving constantly to new heights of learning and excellence. Swan or ‘hansa’ is a revered symbol of enlightenment in Indian mythology, and we pray that each child is guided by the pure and wise swan that helps him or her embark on a new journey each day, to achieve new horizons. Real-life application of knowledge and skills has been the hallmark of the education revolution at BBPS. The caring and sensitized ethos have helped our students evolve into caring and achieving members of society and blossom into responsible, global citizens. I welcome you to a new year of achieving new milestones.

**Mr. Ashish Sawhney**  
**Principal BBPS, Ldh**
