

Name _____

Final Term Test (March 2024)

Subject – E.V.S.

Roll No. _____

Class II- ____

Time allotted- 2 hrs.

Date: 09.03.24

M.M.- 50 Marks

I. Tick the correct option.

(5)

- 1) We wear raincoat and gumboots in (**winter/monsoon**) season.
- 2) The dung of animals is used as (**fuel/building material**).
- 3) Land that is surrounded by water on all sides is called an (**island/mountain**).
- 4) We should breathe (**clean/dirty**) air to remain healthy.
- 5) We should store drinking water in (**open/closed**) containers.

II. Fill in the blanks.

(5)

- 1) Fish have _____ and _____ which help them to swim.
- 2) Hot winds called _____ blow in summers.
- 3) _____ are the large areas covered completely with trees.
- 4) The water that seeps under the ground is called _____.
- 5) Wind helps to move the blades of a _____.

loo
fins
tails
Forest
groundwater
windmill

III. Give one-word answer.

(5)

- 1) Animals that live in forests. _____
- 2) Model of the earth. _____
- 3) When air blows at a very high speed. _____
- 4) Water which is fit for drinking. _____
- 5) A band of different colours we see in the sky. _____

IV. Unscramble and rewrite the answers.

(5)

- 1) **GNIRPS** _____
- 2) **STSEN** _____
- 3) **ZEEREB** _____
- 4) **SLAMINA** _____
- 5) **RETINW** _____

V. True / False.**(5)**

- 1) The moon revolves around the sun. _____
- 2) We cannot see air. _____
- 3) We wear cotton clothes in winters. _____
- 4) Fish, crabs and prawns are eaten as food. _____
- 5) Always store clean drinking water in clean containers. _____

VI. Match the following.**(5)**

- | | |
|-------------------|--------------------------|
| 1) Largest planet | a. impure air |
| 2) Autumn | b. stable |
| 3) Boiling | c. jupiter |
| 4) Harmful gases | d. dry leaves fall |
| 5) Horse | e. makes water germ free |

VII. Answer the following questions.**(16)**

- 1) What do you mean by autumn season?

Ans : _____

- 2) What are domestic animals?

Ans : _____

- 3) What is solar energy?

Ans : _____

- 4) Why is there no life on the moon?

Ans : _____

5) Define scavengers.

Ans : _____

6) Write any two ways to save water.

Ans : _____

7) How can we know the direction of the wind?

Ans : _____

8) What are the properties of clean drinking water?

Ans : _____

VIII. Draw and name any two sources of water

(4)

Answer Key

I. Tick the correct option.

(5)

- 1) We wear raincoat and gumboots in (**winter/monsoon**) season.
- 2) The dung of animals is used as (**fuel/building material**).
- 3) Land that is surrounded by water on all sides is called an (**island/mountain**).
- 4) We should breathe (**clean/dirty**) air to remain healthy.
- 5) We should store drinking water in (**open/closed**) containers.

II. Fill in the blanks.

(5)

- 1) Fish have **fins** and **tails** which help them to swim.
- 2) Hot winds called **loo** blow in summers.
- 3) **Forests** are the large areas covered completely with trees.
- 4) The water that seeps under the ground is called **ground water**.
- 5) Wind helps to move the blades of a **windmill**.

loo
fins
tails
Forest
groundwater
windmill

III. Give one-word answer.

(5)

- 1) Animals that live in forests.
- 2) Model of the earth.
- 3) When air blows at a very high speed.
- 4) Water which is fit for drinking.
- 5) A band of different colours we see in the sky.

Wild animals

Globe

Storm

Potable Water

Rainbow

IV. Unscramble and rewrite the answers.

(5)

- 1) GNIRPS
- 2) STSEN
- 3) ZEEREB
- 4) SLAMINA
- 5) RETINW

SPRING

NESTS

BREEZE

ANIMALS

WINTER

V. True / False:

(5)

- 1) The moon revolves around the sun. **FALSE**
- 2) We cannot see air. **TRUE**
- 3) We wear cotton clothes in winters. **FALSE**
- 4) Fish, crabs and prawns are eaten as food. **TRUE**
- 5) Always store clean drinking water in clean containers. **TRUE**

VI. Match the following:

(5)

- | | |
|------------------------------|--------------------------|
| 1) Largest planet (c) | a. impure air |
| 2) Autumn (d) | b. stable |
| 3) Boiling (e) | c. jupiter |
| 4) Harmful gases (a) | d. dry leaves fall |
| 5) Horse (b) | e. makes water germ free |

VII. Answer the following questions:

(16)
