Mid Term Test (August 2024)
III _____

M.Marks. : 50
Date: 27-08-2024
Subject: English

Section -A (Reading)

Q.1) Read the following passage carefully and answer the questions that follow. (6)

Nature is the only source of our living. Both living and non-living things include nature. Everything is related to nature, which helps to maintain the ecosystem. Plants, animals, and humans all depend on nature for their survival. It supplies oxygen, sunlight, soil, water, and other necessary components. But over cutting of trees is destroying nature. To save environment, we should follow three R's: reduce environmental damage, reuse things and recycle the unwanted things. It is our duty to save nature by planting more and more trees and keep it free from such dangers.

a) Which is the only source of our living?

b) What does the nature supply us?

c) What should we follow to save our environment?
