Creative Time

Integrated with Literature Topic 'Alice and the Mouse'

Think! Dig Deep ! Express!

Greetings Children! So, how was the trip to Wonderland with Alice. Now, Imagine you are Alice. After your visit to Wonderland, you go back home and write your experience on A3 size sheet in detail what all you saw there, what adventures you faced, how you reached that wonderland, your chat with that strange mouse , behaviour of other birds towards you and the interesting incident that touched your heart.

Integrated with Grammar

There are different kinds of Sentences used in the Lesson. Read the Lesson and choose two sentences of each kind and write in the table given below.

Declarative	Imperative	Exclamatory	Interrogative

Art Integration

Create an illustrated storybook of Alice in Wonderland focusing on the key scenes or characters of the story.

Vocabulary Builders

Learn these words to help you complete the story!

- **Ingenious:** very clever or inventive
- **Eco-friendly :** not harmful to the environment
- **Innovative:** introducing new or original ideas
- **Recycling:** the process of collecting and processing materials to create new products
- **Transformation:** a complete change in

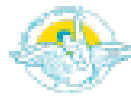

Students, give wings to your imagination. Observe people, places or things around you and analyze as how you can make this world a better place to live. **Create your own story three times with different ending using the hints given below:**

- What kind of machine was invented?
- How did the machine work?
- What kind of impact did that invention have on the environment?

Once there lived a young boy named Mac. He was an ingenious and a keen observer. He was highly sensitive towards his surroundings. One day, while crossing the road, he saw the massive amount of waste generated by his colony's cafeteria. He was quite upset and tried to warn the owner but all in vain. Then, he decided to create an amazing machine that could turn trash into treasure! So he began with brainstorming ideas

Unseen Passage

Q.1) Read the following passage carefully and answer the questions that follow.

Reading stimulates your mind. Reading is crucial for developing a well-rounded individual, fostering intellectual growth, and expanding understanding of the world. It enhances vocabulary, strengthens communication skills, and provides access to diverse perspectives and knowledge. By regularly engaging with different genres and topics, readers cultivate empathy, critical thinking, and a lifelong love of learning. It is like a workout for your brain. When people get old, their muscles begin to deteriorate. They get weaker and their strength leaves them. Exercise can prevent this loss. The same thing happens to people's brains when they get older. Brainpower and speed decline with age. Reading strengthens your brain and prevents these declines. You can benefit from reading in the near-term too. Reading provides knowledge. Knowledge is power. Therefore, reading can make you a powerful person. You can learn to do new things by reading. Whether you want to make video games or design clothing, Reading can teach you all this and more. The more you read the more you learn. Read everything that you can regardless of whether you find it interesting. Reading can change the way you understand the world. But you have to get good at reading, and the only way to get good at something is to practice.

1.1) What happens to people's brain when they get older?

1.2) How can reading make you a powerful person? _____

1.3) How can we improve our reading skills? _____

1.4) Pick the synonym of 'decrease' from the passage. _____

1.5) Use the word 'design' to make a sentence of your own. _____

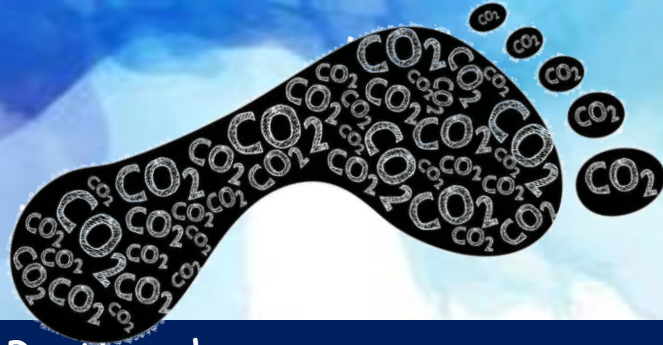

Q.2) Rearrange the following words to make meaningful sentences.

a) to / like / music / I / all / of / kinds / listening / evening /the/in

b) cupboard / the / hid / boy / the / inside / wooden

c) rain / the / peacocks/ in / danced/ beautiful / the

d) is / from / Ravi / London / arriving / tonight/ his / alongwith / friends

Sudoku

Fill the grid with the numbers 1 through 5, ensuring each row, column, and 2x2 block contains each number once.

Here's a breakdown of the rules:

Grid Structure: The puzzle consists of a 5x5 grid divided into 5 rows and 5 columns.

Numbers 1-5: Use the numbers 1 through 5 to fill the grid.

Row Rule: Each row must contain all the numbers 1 through 5, with no repetition.

Column Rule: Each column must contain all the numbers 1 through 5, with no repetition.

Sum of Numbers: The sum of every row, column, and block must equal 15.
